Course Outline

This package includes these courses

- Premiere Pro Bootcamp (18 Hours)
- Premiere Pro Advanced (18 Hours)
- After Effects Bootcamp (18 Hours)
- Adobe Audition (6 Hours)
- Video Editing Portfolio Bootcamp (15 Hours)

Premiere Pro Bootcamp

You'll learn how to organize and import footage, exporting options, how to use the Timeline, create titles, work with PSDs, use audio tracks, and more. Then, we'll dive into more advanced features including multicam editing, color correction, speeding up footage, and stop-motion loops. By the end of the course, you'll be able to add Adobe Premiere to your design repertoire, and you'll have some portfolio-worthy projects under your belt.

Premiere Pro Advanced

Learn more advanced editing techniques with Premiere Pro in this hands-on class and kick your video editing skills up a notch. Create custom transitions, light leaks, and other visual effects. Work more with audio, edit action sequences, and work with vertical video.

After Effects Bootcamp

Learn After Effects through hands-on projects using graphics, text, photos, and video. Practice animation, effects, and rendering.

Adobe Audition

- Understanding Sample Rate, Channels, and Bit-Depth
- Restore and master damaged audio
- Noise Removal & Audio Mixing
- Add Voice Over, Music, and Sound FX (Effects)
- Waveform vs. Multi-Track Editors & Destructive vs. Non-Destructive Editing

Video Editing Portfolio Bootcamp

Develop video editing projects for your portfolio. Practice storytelling, editing workflows, and different editing styles while assembling a demo reel.
