

Microsoft Outlook Level I

This one-day class concentrates on how to use Outlook quickly and effectively for daily work tasks or to become an Official Microsoft Certified Outlook Specialist. By the end of this class, you will be able to reduce hours of repetitive work by setting up rules and search folders to automate email, manage your calendar and to-do lists, manage huge amounts of email with ease, manage complex scheduling, organize all your contacts and track your correspondence.

Group classes in NYC and on-site training is available for this course. For more information including upcoming class dates and pricing, visit training-nyc.com/courses/outlook-essentials-specialist or email contact@nyimtraining.com
