

Motion Graphics Bootcamp

This hands-on, individualized course will take your current software and design skills to the next level. You'll learn the principles of motion graphics and the best practices to create unique motion graphics from concept to completion, resulting in portfolio-worthy projects to show potential clients.

Group classes in NYC and onsite training is available for this course. For more information, email contact@nyimtraining.com or visit: <https://mimi.training-nyc.com/courses/motion-graphics-courses>
