

# PMP Certification Bootcamp

The 38-hour PMP® Exam course covers everything you need to pass the Project Management Professional or PMP® exam. Developed by PMI, the PMP® exam is the gold standard in project management certifications, designed for experienced project managers that want to make their career and experience official. In this intensive, bootcamp training, you'll review the five stages of project management, the forty-nine processes, the ten knowledge areas for project management, and the features of the PMP® exam.

**Group classes in NYC and onsite training is available for this course.**
